

Operational Notes

Warning

- This product must be installed by a licensed electrical contractor strictly following local wiring regulations.
- Avoid touching the LEDs.
- Please contact qualified service personnel to install to avoid the possibility of injury or product failure.
- The light source of this luminaire is not replaceable; when the light source reaches its end of life, the whole luminaire needs replacing. However, you can recycle the components at your local recycling facilities.
- Suitable for use in environments where an accumulation of conductive dust on the luminaire could happen.
- Please keep this manual for future reference.
- The product is a class 2 luminaire

Installation manual: Build-in Recessed

Maintenance:

- Please clean the luminaire with a soft, dry or slightly damp cloth every six months.
- Do not use any volatile, corrosive liquid (e.g. thinner) to wipe the luminaire.
