SEElight

TRADE CATALOGUE

CONTENT

FIRSTLY
THANK YOU
FOR CONSIDERING US!

At SEElight, we have a mission to provide a selection of affordable LED light products. We believe quality design does not have to be expensive. We strive to offer unbeatable prices to our customers.

Our trade catalogue has a selection of safe, efficient and economical LED products, but it doesn't stop there. We are specialists in finding the perfect item for you. Our team can source the right products you require without going through a complicated procurement procedure.

No matter what you need, we are here to help.

Dennis Yau
**Customer Director**

MITSUBISHI®

PHILIPS LUMILEDS

🇬🇧 🇩🇪
All of our battens use Mitsubishi polycarbonate, meaning there will be no colour loss for over ten years.

All of our battens use Philips Lumileds 2835 LED technology - 20% brighter whilst using fewer watts vs other LED technologies.

Our battens are German design and patented. They are procured by both the UK and the German government by our supplier.

INNOVATIVE APPROACH IN SEARCH OF THE PERFECT LIGHTING SOLUTION

PROJECT DEFINITION

SPECIFY WHAT YOU NEED

If you have a lighting requirement and you cannot quite get what you need or feel the price is too high, you are welcome to discuss your specifications with us to try and achieve your objective.

SUPPLIER NETWORK

UNIQUE SUPPLIER RELATIONSHIP

Our purchasing expert has extensive experience in international supply chains. With our unique relationship, we are embedded directly with suppliers and have unparalleled access to a multitude of supply networks.

VISUAL DESIGN

BESPOKE DESIGN OPTIONS

We can obtain the product samples you need and discuss branding options, bespoke quantities, packaging and specs, or if you wish to create your own brand of lighting products.

TESTING

PRODUCT TESTING

Once we have procured your relevant products, we will provide samples with finalised specifications and artwork, and we will offer the product for testing before the commitment to launch.

LAUNCH

READY FOR MARKET

Once your product is ready for launch,, we can take care of the international transportation, delivering your bespoke product to your door or stored within our facilities.

SEElight

LED STRIP TAPE

5M Reels - 120 LED - 9W per meter or 240 LED - 12W per meter options - Available in IP20 and IP65 - Dimmable (IR controller also available) 3 Year Warranty - 3M branded tape - 3000K / 4000K / 6000K options - 2.5cm cut for 120 LED and 1.25cm cut for 240 LED - up to 1262 l/m - Beam Angle - 120° - CE, RoHS
LED STRIP LIGHTS

ALUMINIUM CHANNEL

High-Grade Silver Anodized Aluminium * Teijin PC cover * Available in 2M / 3M lengths * 15mm (W) x 6mm (D) Size * Profile End Cap Set * Nickel-Plated Steel Mounting Bracket * Surface-mounted/recessed installation * Only available in boxes of 150M

ACCESSORIES

12V LED DRIVER

Available in 60W / 100W / 150W / 200W * 5 Year Warranty

Slim-Line Aluminium Design * AC190 – 240V Input

IR CONTROLLER WITH REMOTE

Dimmable 10% - 100% * IR Range of 10 Meters
* 5 Year Warranty

Twilight 12V LED system

Versatile lighting solution for any room in your home.

14

Twilight Contents

Why chose Twilight?

01
Twilight uses LED combining the efficiency of long-lasting LED technology with the economical energy-saving design.

02
Twilight keeps lighting costs lower.

03
Twilight reduces your carbon footprint.

04
Twilight gives you flexibility with endless customisations for all types of applications.

Create the perfect cabinet, mood, task or accent lighting

12V LED DRIVER

The 12V LED driver can power up to 8 types of Twilight LEDs. All Twilight lights and components are powered by the driver.

DOWNLIGHTS

Downlights can be used for many applications but are ideal for either under-cabinet task lighting or accent lighting in cabinets with glass doors.

SENSOR OPTIONS

The LED driver can be used with a selection of sensors - Touch / Cabinet Double Door / Motion / Single Door

FLEXIBILITY

Twilight offers true flexibility with sensor options to downlights and customisable LED strip lighting integrating perfect lighting any-where in your home.

Kitchen design and build by Drawers n Doors - www.drawersndoors.co.uk

ALUMINIUM CHANNEL

Use an Aluminium channel to enclose your LED tape; in addition to the aesthetics, the polycarbonate cover will diffuse your lighting, creating the perfect dotless effect mood lighting.

SURFACE-MOUNTABLE OPTION

The surface-mountable LED gives the option to install downlighting without the need to recess into fittings or fixtures.

APPLICATIONS

DOWNLIGHTING

UNDER CABINET LIGHTING

UNDER COUNTER LIGHTING

FLOOR LIGHTING
